Globalisation defect

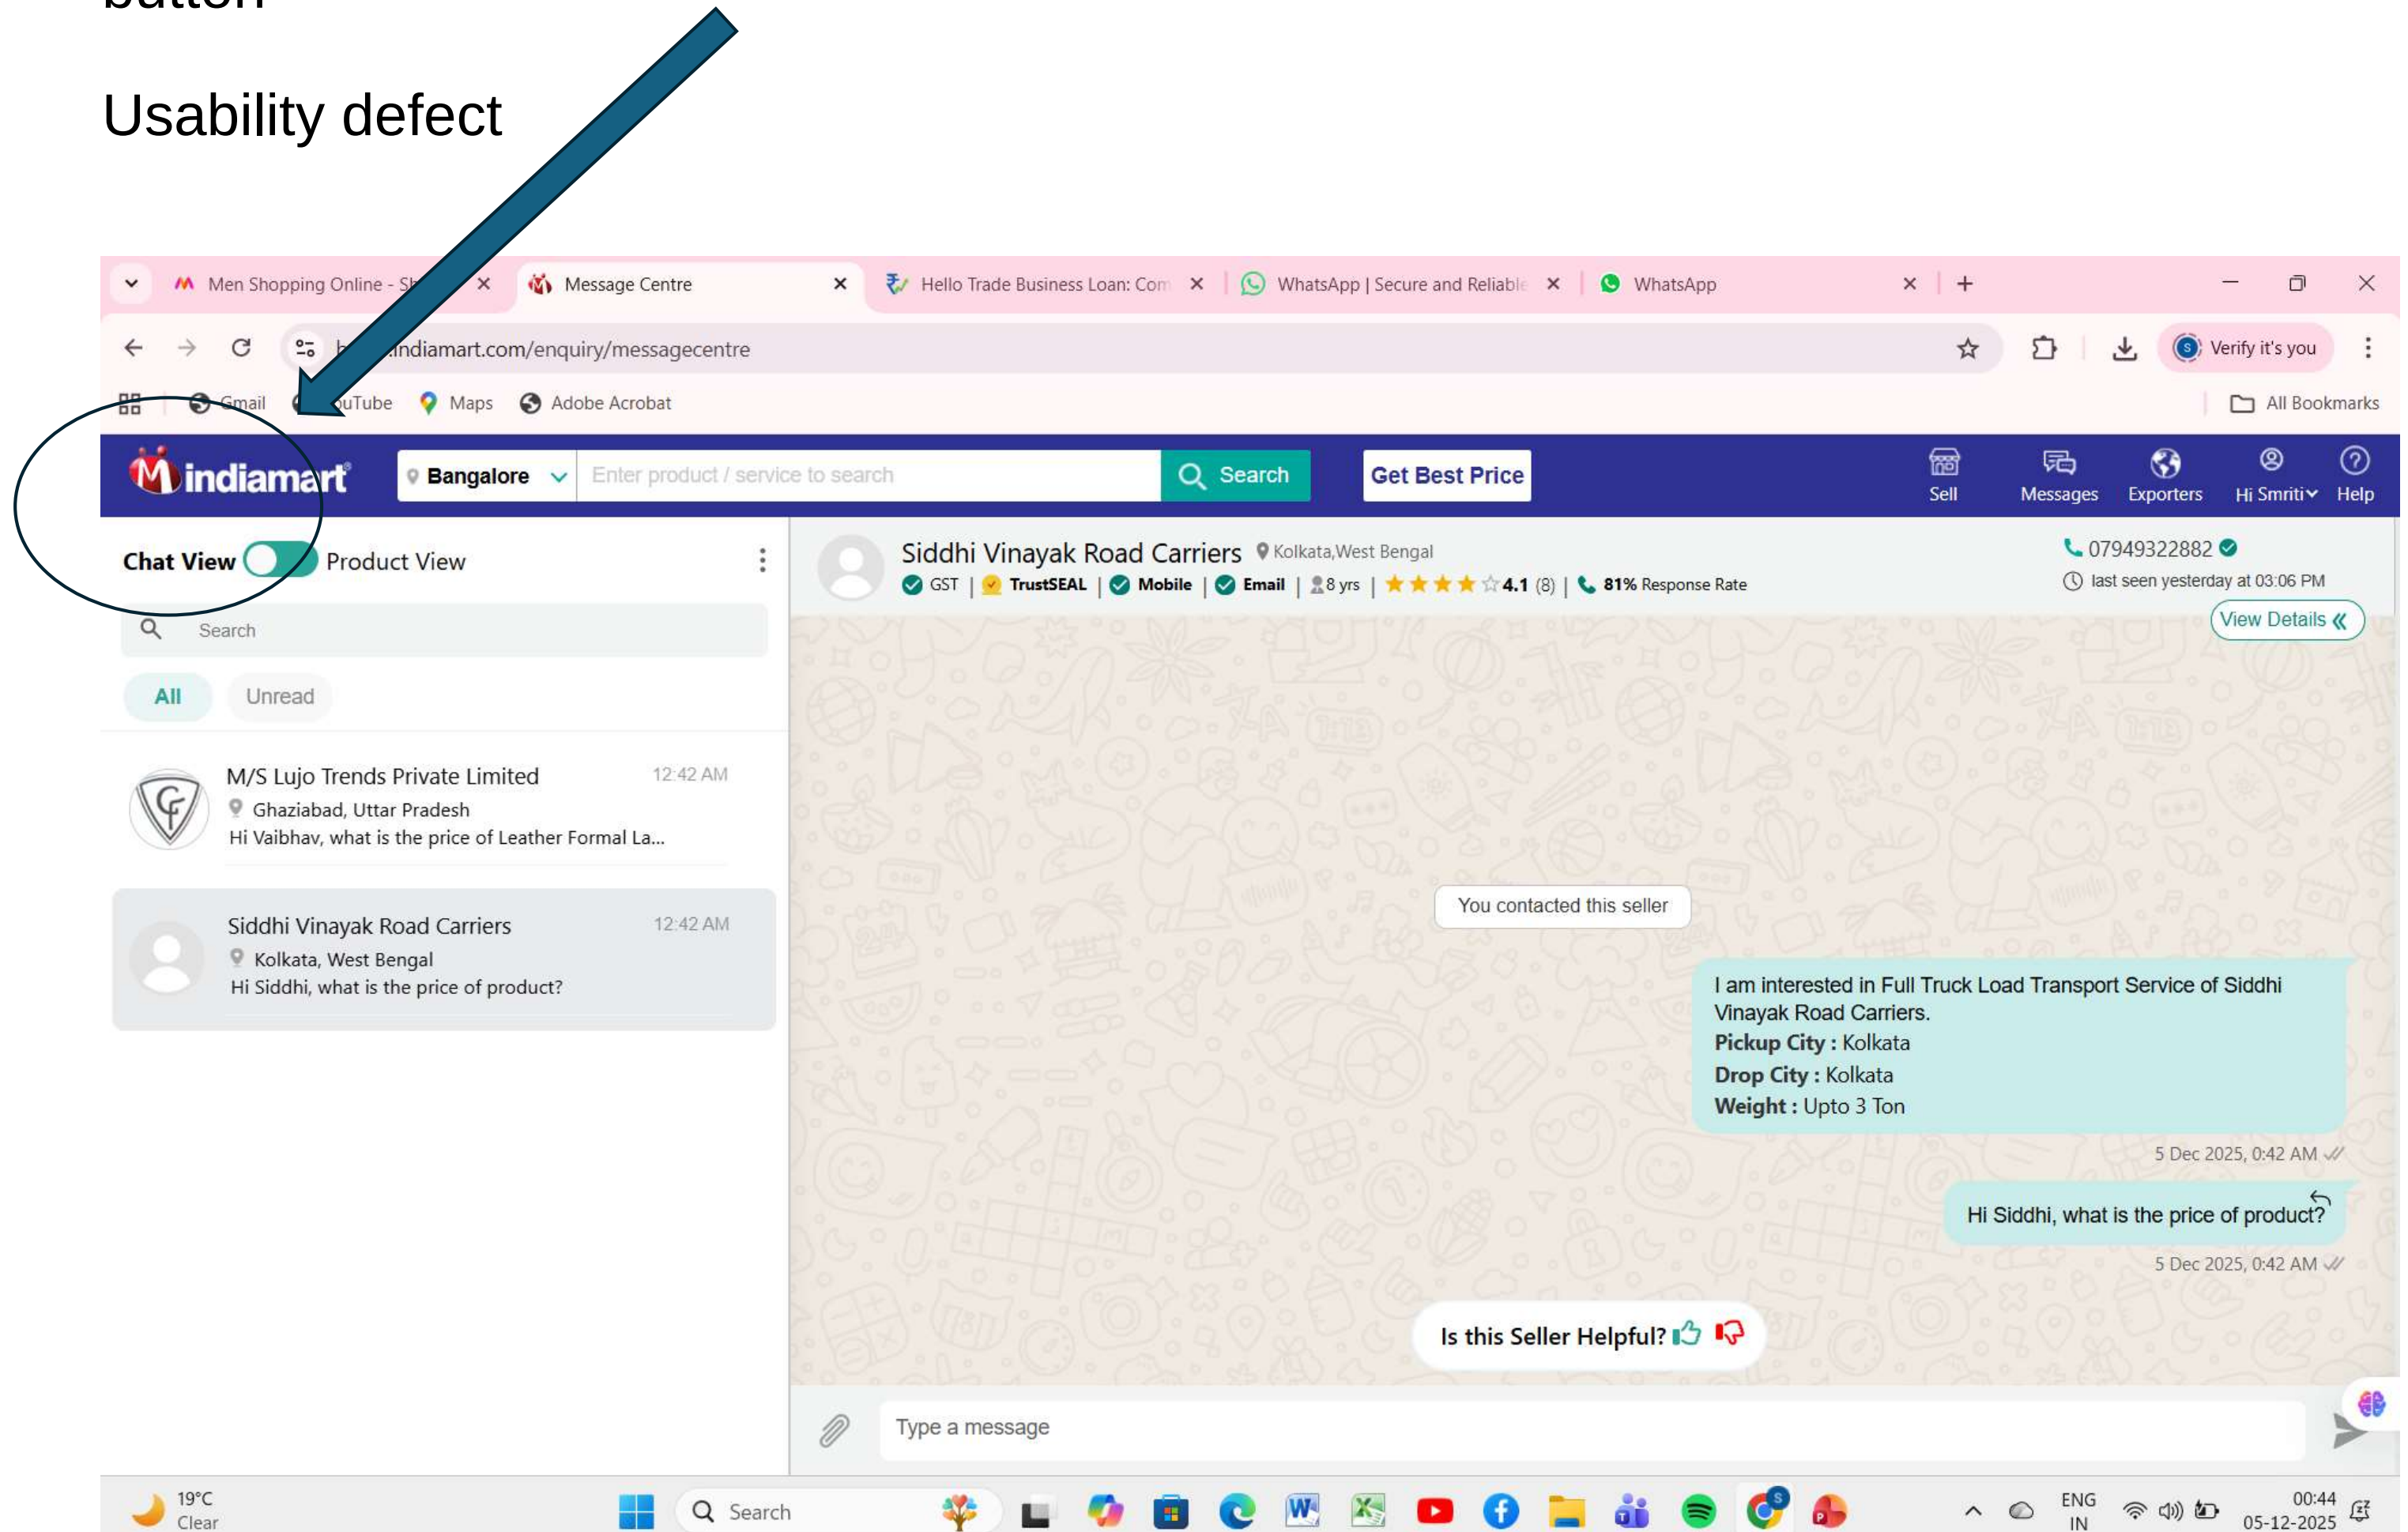

The screenshot shows the homepage of the Indiamart Export website. The browser's address bar displays 'export.indiamart.com'. In the top right corner, the language is set to 'English | INR' and the user is logged in as 'Hi User'. A blue arrow points from the text 'Language is selected as English but it is showing the content in hindi' to the language dropdown menu. Another blue arrow points from the text 'Globalisation defect' to the main heading of the page. The main heading, 'सत्यापित भारतीय निर्यातकों से जुड़ें', is circled in blue. Below the heading is a search bar with the placeholder text 'What are you looking for?' and a 'Search' button. The page features several product categories, each with an image and a list of items:

Usability defect

Placeholder should be there under the Bank Name:-

Usability Defect

The screenshot displays the 'My Profile' section of the IndiaMART website. The 'Bank Details' form is highlighted, showing the following fields:

- Bank Name:** An empty text input field with no placeholder text. A blue arrow points to this field, indicating the usability defect.
- Account Type:** A dropdown menu with the text 'Select Account Type'.
- Account Number:** A text input field with the placeholder text 'Enter Account Number'.
- IFSC Code:** A text input field with the placeholder text 'Enter IFSC code'.

At the bottom right of the form, there are 'Cancel' and 'Save' buttons. The left sidebar shows the user's profile 'Smriti' with a 43% completion status and various navigation options like Dashboard, Messages, Finance, and Ship With IM. The bottom of the page shows a Windows taskbar with the date 05-12-2025 and time 15:43.

Astrix symbol should be there in the mandatory text fields:-

Usability Defect:-

The screenshot displays the 'My Profile' section of the IndiaMART buyer interface. The 'Bank Details' subsection contains four input fields: 'Bank Name', 'Account Number', 'Account Type', and 'IFSC Code'. Two blue arrows point to the 'Bank Name' and 'Account Type' fields, highlighting that they are mandatory but lack an asterisk (*) symbol to indicate this requirement. The 'Account Number' and 'IFSC Code' fields also lack this symbol. The interface includes a top navigation bar with the IndiaMART logo and user options, a left sidebar with navigation links, and a bottom status bar with system information.

- Landmark: (This field is circled in red, and a red arrow points to it from the text 'Proper Placeholder isn't present there:-' above the image.)

Buttons for 'Cancel' and 'Save' are located at the bottom right of the form. The bottom of the image shows a Windows taskbar with various application icons and a system tray indicating the date as 05-12-2025 and time as 15:51.

DropDown button isn't there:-

Usability Defect:-

The screenshot shows the 'Book Transportation Service' form on the Ship With IndiaMART website. A blue arrow points to the 'Drop City *' input field, which is circled in red. The field contains the placeholder text 'Enter drop city' and lacks a dropdown arrow. Below the field, a red error message reads 'Please enter the drop city'. To the left, the 'Pickup City *' field is populated with 'Kolkata' and shows a dropdown arrow. To the right, the 'Material Weight *' section has four radio button options: 'Upto 3 Ton', '3 to 9 Ton', '9 to 18 Ton', and 'More than 18 Ton'. Below the form is a 'Submit' button and an 'FAQ's' section. The browser's address bar shows 'shipwith.indiamart.com/book/full-load'. The Windows taskbar at the bottom displays the date '05-12-2025' and time '15:53'.

Usability Defect:-

The screenshot shows a web browser window with the URL shipwith.indiamart.com/book/full-load. The page content includes a FAQ section and a section titled "Popular Areas We Serve". A blue arrow points from the text "Usability Defect:-" to the FAQ section. A black oval highlights the "Popular Areas We Serve" section, which contains a list of cities and transport services. The text in this section is not underlined, which is the usability defect being pointed out.

No. The platform is free to use and IndiaMART currently does not charge any amount to post requirements and choose service providers. Any transactions are solely between the Service Users and the Service Providers.

Does Ship with IndiaMART provide insurance for the goods that are being transported? -

Ship With IndiaMART is an online marketplace to connect people looking for transportation services to the transportation service providers. It does not provide insurance of goods or cargo on behalf of service users. However, we provide the buyer with multiple options of service providers to choose from and we recommend you to connect with multiple service providers and then choose the most suitable one.
